

# **ATTENTION GOLFERS**

The by-laws of SCC clearly state that **ALL** golf carts are to stay on the **CART PATH** around every **GREEN** and **TEE BOX**. Several golfers are driving between the sand traps and greens, parking within feet of the green. Our golf course is in the best shape it has been in several years. If you play out of the sand, please rake it. Repair your ball mark on the green.

Please give our course the respect and etiquette it deserves.

Thank you,

Jon Aaron Jackson

Golf Course Chairman.
